

RELIEVED WOMEN
WINE OF CARDUI

has brought permanent relief to a million suffering women who were on their way to premature graves. Mrs. Mitchell was fast declining in health, when Wine of Cardui performed a "wonderful cure" in her case. She suffered with the agonies of falling of the womb, leucorrhoea and profuse menstruation. The weekly appearance of the menses for two months stopped her vitality until she was a physical wreck. Her nervous system gave way. Then came the trial of Wine of Cardui and the cure. Mrs. Mitchell's experience ought to commend Wine of Cardui to suffering women in words of burning eloquence.

WINE OF CARDUI
is within the reach of all. Women who try it are relieved. Ask your druggist for a bottle of Wine of Cardui, and do not take a substitute if tendered you.

Mrs. Willie Mitchell, South Gaston, N. C.: "Wine of Cardui and Theodor's Black-Draught have performed a miracle in my case. I had been a great sufferer with falling of the womb, leucorrhoea and my menses came every week for two months and were very painful. My husband induced me to try Wine of Cardui and Black-Draught, and now the leucorrhoea has disappeared, and I am restored to perfect health."

In cases requiring medical attention, consult your druggist. The Ladies' Medicine Chest, Chicago, Ill.

A Game Female Marshal.
Miss Mattie Helen Beals, the Wichita telephone girl who drew second choice of farms in the new Kiowa and Comanche country, has aspired to new honors. She will become city marshal of the new town of Lawton, to take the place of Bat Carr, the present officer.

A delegation of citizens waited on Miss Beals this morning and offered her the position. There is a good salary connected with the office. She accepted the place. She hopes to tame the outlaws and bad men without having to shoot.

Miss Beals and Bat Carr, the outgoing officer, met this evening. To test her nerve he took several shots at her. She opened fire on him and shot his hat off. After these little pleasant exchanges of compliments the two shook hands and promised to be friends.—Wichita cor. Chicago Tribune

Home Republicans Wont Oppose.
From all indications the republicans of Madison, his home county, do not intend to give Governor McCreary any opposition in his race for the United States senate. Their slate for the various county offices, to be acted on at the county convention to be held at Richmond this month, has been made up, but it contains no mention of any aspirant for the legislature, which is significant, and the party leaders say there will be none. Charles L. Searcy, who served a term in the lower house several years ago, and is popular with all classes, and is of course, for McCreary. Unless all signs fail the "Model Governor" will get the Eighth congressional district delegation solid to a man.

Chums United in Death.
The death of George Hunt and Martin Savage last Saturday discloses a remarkable coincidence. Hunt was employed at Erhardt's foundry, on Sixth street, and last Friday was injured and sent to the hospital. His companion for years and roommate at Hitler's Boarding House, on West Sixth street, was Savage, who worked for Charles Glandorf, and was employed at the Newport powder house driving piles. The men had shared each other's luck and money for 15 years and Savage was deeply moved at the accident which befell his chum. After noon he was taken with a hemorrhage and died within a few feet of his work. It has since been learned that Hunt died at exactly the same moment at the City Hospital. Both died on the stroke of 1 o'clock.—Cincinnati Enquirer.

THERE have been two traitors in the democratic party of late years: One was Mr. Sibley of Pennsylvania, and the other Mr. McLaurin of South Carolina. The first, while he did not resign the seat to which he had been elected as a democrat, did announce his conversion to republicanism openly and has now been re-elected as a republican; the latter, continuing to equivocate, has rightly been kicked out bag and baggage.

To Save Her Child
From frightful disfigurement Mrs. Nannie Gallagher, of La Grange, Ga. applied Bucklen's Arnica Salve to great sores on her head and face, and writes its quick cure exceeded all her hopes. It works wonders in sores, bruises, skin eruptions, cuts, burns, scalds and piles. 25c. Cure guaranteed by J. Taylor Day, of Hazel Green, or S. S. Combs & Son, Campton, drug stores.

There is nothing new in the Sampson letter to which Captain Schley refers. The admiral sent it to congress a year or two ago, causing a most extraordinary flutter in the navy ring thereby. However, the ring was too strongly committed to Sampson to own up at that state of the game.

James White Bryantville, Ind., says DeWitt's Witch Hazel Salve healed running sores on both legs. He had suffered six years. Doctors failed to help him. Get DeWitt's. Accept no imitations.

There is at present more gold in the United States treasury than ever before in its history, the amount being \$504,354,297, and it is accumulating at the rate of \$5,000,000 a month. Since July 1, 1900, the gold on hand has increased \$81,000,000.

Eruptions, cuts, burns, scalds and sores of all kinds quickly healed by DeWitt's Witch Hazel Salve. Certain cure for piles. Beware of counterfeits. Be sure you get the original—DeWitt's. H. F. PIERATT

It is not surprising that the administration should have pigeon-holed that damning official report about slavery in the Philippines. What else could it do?

P. T. Thomas, Sumterville, Ala., "I was suffering from dyspepsia when I commenced taking Kodol Dyspepsia Cure. I took several bottles and can digest anything." Kodol Dyspepsia Cure is the only preparation containing all the natural digestive fluids. It gives weak stomachs entire rest, restoring natural condition.

If, as President Havemeyer of the sugar trust says, the tariff is the mother of trusts, why not try the effect of abolishing it on his trusts?

If the action of your bowels is not easy and regular, serious complications must be the final result. DeWitt's Little Early Risers will remove the danger. Safe, pleasant and effective. H. F. PIERATT.

COME to think of it, is it the intention of President McKinley that benevolent assimilation shall be preceded by benevolent glut-tony?

O. O. Buck, Beirne, Ark., says: "I was troubled with constipation until I bought DeWitt's Little Early Risers. Since then have been entirely cured of my old complaint. I recommend them. H. F. PIERATT."

REGAIN YOUR HEALTH WITH VITAE-ORE!

NATURE'S DOCTOR FOR MANKIND!

IT CURES
Rheumatism, Diphtheria, La Grippe, Bright's Disease, Blood Poisoning, Kidney, Liver and Stomach Troubles, Female Complaint, Catarrh and General Debility.

FROM PHYSICIANS.
FOUNTAIN CITY, IND.
In numbers of instances Vitae-Ore has produced remarkable cures of cases pronounced incurable, and I have found it the most reliable remedy in all chronic cases of disease. I would advise my professional brethren everywhere to test it in their practice, and I feel assured that none will regret it. T. W. TAYLOR, M. D.

OPIN, ILL.
That the therapeutic effect of Vitae-Ore is without an equal is my candid belief. I have tested its virtues in many cases and can recommend it. JOHN D. MORGAN, M. D.

Pains in Joints.
STURGEY, ONT., CAN., 2-4-98.
I have a little grandson, seven years old who, about two years ago was taken with Pains in all his joints, so bad they had to carry him around on pillows to ease the pain. She could not eat, was sleepy and drowsy all the time, was white as a sheet and her joints were so swollen that caution had to be used in moving her. I told my daughter that I was a doctor but I knew that Vitae-Ore did not cure such cases. At last I do not know, so on my recommendation she took a package and in one week the child was going to school. There has been no return of the trouble since. It people only knew half as much about Vitae-Ore as her mother there would not be a house in Canada without Vitae-Ore always on hand for an emergency, for my part I could not get along without it. My eyes have been troubling me for about six years and now after using Vitae-Ore they are wonderfully improved. For Sore Throat and Burns Vitae-Ore cannot be beat. It is a God-send.

Change From 75 Years of Age to 16.
Mr. Cooper, Hazel Green, Ky.: "I purchased some of the Vitae-Ore from you in the latter part of March, and after taking about a half pint of the Vitae-Ore Elixer my nerves were as steady as when I was 16 years of age, and I am now past 75. For more than a year I had been trying all the patent medicines and nostrums I could hear of to build myself up, but nothing did me any good until I used Vitae-Ore, which my wife brought me from your house. After using it a week I went out and did three days as hard work as I have done in 25 years and I was not more fatigued than I was 25 years ago over the same work. It is the greatest medicine in the world, and I want everybody in the mountains to know what it did for me so they may try it. Hoping every one who has that tired feeling independent of old age will buy Vitae-Ore of you and give it a fair trial, I remain, thankfully yours for putting me on to this remedy, JAMES A. LACY

Bladder and Kidney Trouble.
CHICAGO, ILL.
I must say I never heard of a case of Bladder and Kidney Trouble which was as bad as mine was. I had to get up from twenty to twenty-five times a night, urinate with burning pain. I had been troubled with this disease for about eleven years. I was treated and examined at a hospital and had four or five different kinds of medicine from the doctors, which did me no good. I tried various patent medicines and doctors without one event of good resulting. I have not used quite three packages of Vitae-Ore. I am 69 years of age and feel as well as when I was 30 years old. There is one thing about Vitae-Ore which I have observed, and that is, it will not hurt anyone. It is good for anyone's eyes. I know of a lady who was troubled with Kidney and Bladder Trouble for ten years. But after using Vitae-Ore she is now entirely well. If anyone wants to know if it is true, he can write to me and I will write to him.

AFTER YOU HAVE TESTED ALL NOSTRUMS, DRUGS AND DOCTORS, only to grow older and worse, try VITAE-ORE—the Ore of Life—and learn that it is the Best Thing In, On or Out of the Earth for the Afflicted. Its unequalled Antiseptic Tonic Power will remove the Nidus of any ill. It is not a quick nostrum, but a remedy nothing man makes equals. It challenges comparison. It is a discovery never downed by quacks, who thrive on a man's ill being protracted. It is a puzzle to the scientist, an enigma to the medical student, a boon to the afflicted. It contains all the elements lacking in the body in poor health, and supplies to the system that which is necessary to sustain Life, Health and Strength.

VITAE-ORE has been tested by multitudes of people, and is universally endorsed. Thousands of testimonials from grateful people who have been cured. Our limited space will only allow reproduction of a few:

FROM MINISTERS.
ELIZKY, MISS.
I have been afflicted with Nervous Prostration, Liver and Kidney trouble for about 10 years and Piles for 20 years. After using Vitae-Ore four days my Piles disappeared and the bleeding ceased. I continued its use for about four months, and today my Nervous Prostration, Kidney and Liver Trouble and Piles are gone.
REV. T. H. SMITH, RESTON, LA.
I have taken your Vitae-Ore for about a month and find it has done me more good than anything I have ever taken for Liver and Kidney Trouble.
REV. C. H. WILSON, CATARRH, BANGOR, MICH.
For a number of years I suffered with Catarrh of the Head until it finally reached my Stomach and Bowels. The least cold would increase my sufferings so that I scarcely ever slept more than three or four hours during the night. Two years ago my Throat and Bronchial Tubes became affected to such an extent that my voice was affected and my lungs were becoming diseased. A very moderate use of Vitae-Ore and V.O. Ore-oline has greatly relieved my suffering, and I am now in better health than since the year 1893, at which time I was compelled to give up work. I weigh ten pounds more than I have for many years, and believe that I persist and intelligent use of V.O. and its companion remedies will work wonders for the suffering. I know it is the use of V.O. Eucalyptus Oil in connection with V.O. that keeps my wife from being sick through all the damp, rainy weather. She is so subject to Coughs, Colds and Pneumonia that we would not think of being without those articles and V.O. Ore-oline as well, and most faithfully recommend them to afflicted people.
L. J. SAERROD.

Fever.
EQUALITY, ALA., 5-2-98.
I take pleasure in telling you what Vitae-Ore has done for me. About a year ago I was taken sick and my doctor said I was going to have a fever, so he gave me medicine for two months which did me no good. My tongue was coated all the time and I had a bad cough. The doctors said my lungs were affected. Last August I was unable to do any work as I had a bad cold, a package of Vitae-Ore and after I had taken it I was able to gather my crops. It did me more good than all the medicines I have ever taken. I have taken three packages of Vitae-Ore and I am able to carry on all my farm work. I know that I have Consumption so I'm going to give your great and wonderful remedy a fair trial as it has already done me much good. I have hopes of good health yet.
W. M. BRYANT.

Cured at 82 Years.
ANDERSON, IND.
I have had Rheumatism and Kidney Trouble for about a year. Hearing of the cures made by your Vitae-Ore, I began taking it, and it has done me more good than all of the other medicines I have ever taken. I have been using it now for about one week and am almost entirely cured of my Kidney Trouble and it has also helped my Rheumatism. I was so bad at times that I could not get down to my shoes, but I feel now as if I were a young man and not the effects of it. I was 82 years old on September 11.
JOSEPH C. KETNER, 1520 Brown St.

Was Nearly Dead.
DALLAS, TEXAS.
I do and always shall do all in my power in your favor because I am thoroughly satisfied that the V.O. remedies are the very best on earth, and this I say from my own experience with them. I was as near a dead man as possible last winter before I began to take Vitae-Ore. I thought I could not live to tell of it. I now feel thirty years younger and can do my own work, no matter how heavy or hard it may be. Without a doubt it is a "wonderful medicine."
JOHN ROBERTS.

Paralysis and Rheumatism.
QUINCY, ILL.
I have just visited three of my afflicted friends who are using Vitae-Ore. The man with Paralysis and Rheumatism can hold himself to a bag, pull himself up and step the length of it; he can also move his toes, which he has not been able to do for years. Mrs. Smith, a sufferer from Dropsy and Female Trouble is doing as well as can be expected. The man who was Paralyzed about two weeks ago and could not walk or speak so as to be understood or raise his right arm, took a package of Vitae-Ore and V.O. Pills and today he got out of his chair without assistance and walked across the room; he talks now so as to be heard. JOHN HUSTED.

Made a Permanent Cure.
INDIAN TOWN, N. C.
I have used Vitae-Ore for a Cancer on my cheek and it made a permanent cure after doctors and cancer cures failed. I think I will do all things that it is recommended to do.
